Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Carroll Hospital Forensics Lab in Fiscal Year 2027. The entity to receive funding for this project is Carroll Hospital Center, Inc., located at 200 Memorial Ave, Westminster, MD 21157.

Funds will be used by Carroll Hospital to relocate and enhance their Forensics Program, allowing for better quality of care for their community's victims and aiding in obtaining justice and accountability for crimes.

The project is an appropriate use of taxpayer funds because the project will serve a rural hospital in aiding justice and quality care.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
