The Honorable Rosa DeLauro

Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Hampstead PFAS Water System Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Hampstead, located at 1034 S. Carroll St., Hampstead, MD 21074.

Funds will be used to remove PFAS and other contaminants from Hampstead's water system, which will provide safer, cleaner water for Town residents.

The project is an appropriate use of taxpayer funds because it will assist in providing safe drinking water for the Hampstead community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Johnny Olszewski".
