Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Manchester Wastewater Treatment Plant Upgrade in Fiscal Year 2027. The entity to receive funding for this project is the Town of Manchester, located at 3286 Beaver St, Manchester, MD 21102.

Funds will be used to assist the Town of Manchester with completing the design of a much-needed Wastewater Plant upgrade.

The project is an appropriate use of taxpayer funds as it would be a major infrastructure investment for the community and State as a whole and would allow the Town to investigate other feasible design options.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Johnny Olszewski".
