The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Fire & Hose Company Apparatus Replacement in Fiscal Year 2027. The entity to receive funding for this project is the New Windsor Fire & Hose Company No. 1, located at 101 High Street, New Windsor, MD 21776.

The funding would be used to help fund the purchase of a fire engine and brush truck to improve emergency response and wildfire suppression capabilities.

The project is an appropriate use of taxpayer funds because it will replace aging equipment, enhance firefighter safety, and ensure reliable service for residents, businesses, and surrounding communities during structure fires, wildfires, and other emergencies.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Johnny Olszewski". The signature is stylized and fluid.
