Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Owings Mills Volunteer Fire Company Engine 312 Replacement in Fiscal Year 2027. The entity to receive funding for this project is Baltimore County Government, this project is located at 10401 Owings Mills Blvd Owings Mills, MD 21117.

Funds will be used to replace Engine 312, a frontline structural firefighting engine operated by the Owings Mills Volunteer Fire Company (Station 31) in Baltimore County, Maryland.

The project is an appropriate use of taxpayer funds because the current apparatus is nearing the end of its operational service life and must be replaced to ensure reliable emergency response, firefighter safety, and continued fire protection services for a rapidly growing community.

The project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Johnny Olszewski". The signature is stylized and fluid, with a large initial "J" and "O".
