The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Advanced Water Purification System Phase 3 in Fiscal Year 2026. The entity to receive funding for this project is the City of Westminster, located at 45 West Main Street, Westminster, Maryland 21157.

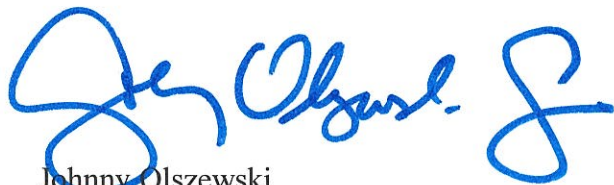

Funds will be used to support the first indirect water reuse facility in Maryland. Providing a permanent drought-resistant water source.

The project is an appropriate use of taxpayer funds because this facility will provide an additional 1 million gallons of water service to 38,000 users within Carroll County.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Johnny Olszewski

Member of Congress
