The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Forensics Science Program. The entity to receive funding for this project is Loyola University Maryland, located at 4501 North Charles Street, Baltimore Maryland 21210.

Funds will procure forensics laboratory equipment.

The project is an appropriate use of taxpayer funds because it will facilitate implementation of state-of-the-art academic curriculum and research for undergraduate and graduate students and to support the development of a Forensic Science Training Center that can be used by local law enforcement agencies and partners.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Johnny Olszewski

Member of Congress
