The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Martin Runway Improvement Program in Fiscal Year 2026. The entity to receive funding for this project is the Maryland Air National Guard, located at 701 Wilson Point Rd, Middle River, Maryland 21220

Funds will be used to properly configure the runway in order to make it free of obstructions with remaining obstructions clearly marked

The project is an appropriate use of taxpayer funds because it will support the operational and training requirements of the assigned A-10 aircraft and other aircraft in the greater Washington-Baltimore area.

The project has a federal nexus because the funding provided is for purposes authorized by 10 U.S.C. Chapter 169 and the National Defense Authorization Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Johnny Olszewski

Member of Congress
