The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Water and Sewer System Improvements in Fiscal Year 2026. The entity to receive funding for this project is the Town of New Windsor, located at 211 High St, New Windsor, Maryland 21776.

Funds will be used to make upgrades to an aging water and sewer system including well exploration and testing and addressing lead and copper issues.

The project is an appropriate use of taxpayer funds because it will increase the quality and quantity of water and decrease sewer treatment expenses.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Johnny Olszewski

Member of Congress
