Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Center for STEM Talent and Economic Opportunity in Fiscal Year 2027. The entity to receive funding for this project is Community College of Baltimore County, located at 800 S Rolling Rd, Catonsville, MD 21228.

Funds will be used to renovate 3,500 square feet to create a STEM Center advancing Maryland's workforce pipeline.

The project is an appropriate use of taxpayer funds because it will build a Math Center, labs, and engineering studios, the Center will provide hands-on, industry-aligned experiences, preparing students for middle-skill STEM careers while supporting regional employers and strengthening economic development in Central Maryland.

The project has a federal nexus because the funding provided is for purposes authorized in EDI-42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Johnny Olszewski".
