The Honorable Rosa DeLauro

Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Union Bridge Wastewater Treatment Plant in Fiscal Year 2027. The entity to receive funding for this project is the Town of Union Bridge, located at 104 W. Locust Street, Union Bridge, MD 21791.

Funds will be used to move and upgrade the Union Bridge Wastewater Treatment Plan (built 1962, last updated 1994), which is located within the 100-year floodplain.

The project is an appropriate use of taxpayer funds because it will enhance nutrient removal for the low to median income community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
