The Honorable Rosa DeLauro

Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Westminster Senior & Community Center Dining Room Expansion Project in Fiscal Year 2027. The entity to receive funding for this project is Carroll County, the project is located at 125 Stoner Ave, Westminster, MD 21157.

The funding would be used to expand the Westminster Senior and Community Center dining room by 1100 square feet.

The project is an appropriate use of taxpayer funds because as the Center's population presents with varying levels of mobility, size constraints of the existing dining room present barriers for members to safely access and maneuver the space during daily congregate meal service in this rural community of seniors.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,
